is to allow the Harrison nominating and seconding speeches to proceed without interpution, and then when the roll-call begins to have Alabama, Arkansas, Colorado and other leading States in the list to east the majority of their voices for the popular leader.

This, it is hoped, will create a stamped of of uninstructed delegates to the Secretary of State and result in his nomination on the first ballot.

The Harrison people are working vigorously, however, with the delegates from the States that lead the alphabetical list, and by to-morrow nearly all will be on band.
